

SAMSUNG REWARDS

UP TO 30% OFF THE C9000 LED TV

Samsung would like to reward you for participating in our C9000 TV, Apps and LED training modules! Simply pass the required Product eLearnings listed below to earn the associated reward toward a new C9000 LED TV. Employees can redeem only one reward per module.

Reward discounts, applied to employee price:
C9000 eLearning Module – 10% off purchase
Apps eLearning Module* – 10% off purchase
LED eLearning Module – 10% off purchase

Complete all three modules for a total of 30% off!

* Apps module launches November 10, 2010.

OFFER IS VALID FROM NOVEMBER 1, 2010
THROUGH DECEMBER 31, 2010.

HERE'S HOW IT WORKS:

1. Visit Samsung's vendor hub on Learning Lounge and/or cyberscholar.com/samsung, and pass the C9000, Apps and/or LED eLearning Modules.
2. After successfully passing the quiz, click the button on the module screen to download and print the Samsung Rewards Form(s).
3. The more modules you complete, the higher your reward! 1 module = 10% savings, 2 modules = 20% savings, 3 modules = 30% savings!
4. Purchase the Samsung eligible C9000 LED TV product from your employer's stock.
5. Complete the rewards form and send in your claim and documentation to receive your reward check. (Note: Be sure to include your Employee ID number, so that your passing of the required eLearning can be verified.)

ULTIMATE DESIGN

The LED 9000 features an Ultimate Slim Design of only 0.3 inches in depth. The elegant brushed metal exterior looks stunning from top to bottom – and even from front to back.

PREMIUM ACCESSORY PACKAGE

The groundbreaking touch screen remote does what no other remote can do. With the ability to enter text, as well as stream video from the TV screen to the 3" color screen on the remote, you can take your TV anywhere.

A specially designed wall mount complements the TV, with a slimness to match the bezel.

The Samsung LinkStick™ makes it easy to wirelessly connect to a world of online content – like Samsung Apps – right on your TV.

A NEW DIMENSION IN TV

3D

Experience a new dimension in TV, with a level of 3D depth you have to see to believe.

FULL HD

SAMSUNG APPS

Web-connected Samsung Apps let you stream the latest Hollywood hits, view viral videos and download your favorite TV shows.

LED

Unmatched LED picture quality delivers a wide range of color and contrast.

Samsung Real240Hz™ with Clear Motion Rate delivers smooth action with its innovative panel, backlight technology, and proprietary image processing algorithms.
