FAXPHONE® L90 Laser Fax | Printer

Advanced Desktop Laser Performance

The FAXPHONE® L90 conveniently combines a laser fax and laser printer for the home and small business.

- **Transmit documents at high speed with the Super G3 Fax.**
- **Save any important faxes with 346 pages of fax memory.[1]**
- **Fax multiple documents easily with the 30-sheet Auto Document Feeder (ADF) and 150-sheet Auto Sheet Feeder.[2]**
- **Reduce office downtime with the Single Cartridge System, which combines the toner and drum into one easy-to-replace unit.**

115 Speed Dials

FAX 33.6 kbps

15 Black ppm

30 Sheets ADF

SINGLE CARTRIDGE SYSTEM

Quickly Fax at High Speeds

Fax important documents at high speeds with the Super G3 fax. Maintain a contact list with 100 coded speed dial locations. Never miss an important fax with up to 346 pages incoming fax memory.[1]

Quality Laser Printing & Copying

The L90 combines the performance of a laser fax, laser printer and convenient copier together for the small business or personal desktop. With print speeds up to 15 ppm, this stylish, low profile machine functions in the place of several devices.

Convenient Paper Handling

Copy, scan or fax multi-page documents in no time by placing them in the 30-sheet ADF.

Easy Maintenance

Take the toner cartridge out of the L90 and show it to your customers. Tell them that the toner and imaging unit drum are in one unit, making it easy to replace. The toner cartridge can be 100% recovered with zero landfill waste.

Environmentally Conscious www.usa.canon.com/green

- **Energy Saving Mode** - When the L90 enters Energy Saving Mode, it has a low power consumption of 3 watts of energy.
- **Toner Saving Mode** - When the L90 is switched into the toner saving mode, it allows for up to 20% more economical toner usage.

SALES TIP!

Nothing is more frustrating than to run out of paper or toner in the middle of a job.

Make sure your customer has extra on hand.

Why Choose the FAXPHONE® L90

Over Brother IntelliFax-2820

- Fax at high speeds with Super G3 fax (Approx. 3 seconds / page)[1]
- Save storage space with only one consumable: the Single Cartridge System
