(USB: print, PC fax and scan, Network: print and PC fax)

Toner
Canon Cartridge 104 (2,000 pages @ 5% coverage)
Starter Cartridge Included

Available Accessories
C-6700WG Wireless Print Server

WHY the Canon imageCLASS® D480 -- Over Brother DCP-7040 & Sharp AL-2040CS

The imageCLASS D480 laser multifunction copier was designed to meet the needs of a networked home or a small office. Handling 2-sided documents is easy with standard Duplex ADF and Auto Duplex Print. D480 is ready in just 12 seconds from power on, and with 9 seconds First Copy Time and fast 23 cpm / ppm output speeds, it makes short work of small and large copy jobs. Single Cartridge System provides consistent copy quality and requires only one consumable. The included Super G3 Fax is fast and convenient with over 100 speed dial locations. For your home and small office customers looking for a compact and versatile laser copier that can also print, fax and scan, recommend the D480.

1 Prices are MAP at time materials are created and do not reflect any applicable rebates. Actual prices are determined by individual dealers and may vary. Prices subject to change at any time without notice.
2 Based on ITU-T #1 Chart (Standard Mode)
