

Black & White Laser Multifunction Printers

For your Small and Medium Enterprise customers who need a secure and manageable, networked laser multifunction for printing, copying, faxing, and scanning.

- Built-in Ethernet networking with security and remote management options
- Fast output speeds of up to 30 ppm / cpm
- Save paper and easily handle 2-sided documents with built-in All-Mode Duplex
- (MF5880dn Only) Advanced capabilities such as SEND function and PCL 5e/6 support

Built-in Networking with Security & Management Features

Sharing the benefits of the MF5800dn series on the office network is easy with built-in Ethernet connectivity (network printing, scanning, and PC faxing).¹ Your customers can easily manage copy volumes with Department ID and Counter. They will also feel more at ease with advanced security options such as IP and MAC Address Block.

High Performance

Your customers can get their documents fast with output speeds of up to 30 ppm / cpm. The fast Super G3 fax includes 20 one-touch and 180 coded speed dials, as well as a generous 512-page fax memory.^{2,3}

Duplex Versatility

Duplex Auto Document Feeder (ADF) copies, scans, and faxes 2-sided documents – no need to turn paper over. Save paper with built-in 2-sided printing and copying – print received faxes as 2-sided documents.

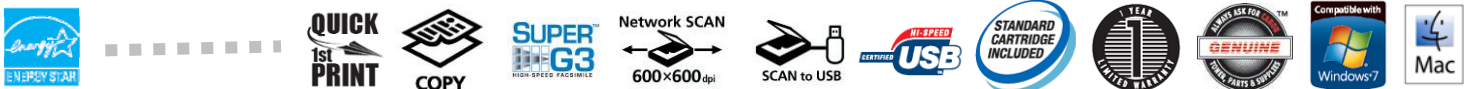

Easy Maintenance & Energy Efficiency

Single Cartridge System makes toner changes easy and provides consistent output quality. Efficient 3W energy saving mode may save your customers money on energy.

Advanced Functionality

For your customers who are looking for even more advanced network capabilities, recommend the MF5880dn, which also includes Send functionality (Email and SMB) and support for PCL 5e/6 protocol.

Toner

- Cartridge 119 (yields approximately 2,100 pages based on ISO/IEC Standard)
- Standard cartridge included

Accessories

- Optional 500-sheet cassette
- Optional Wireless Print Server (C-6700WG)⁴
- CarePAK (Virtual or Printed)

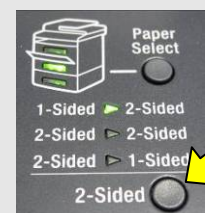

Operating System

- Windows® 7 / Server 2008⁵ / Vista® / Server 2003⁵ / XP / 2000
- Mac® OS X 10.4.9 to 10.6

SALES TIP!

Show your customers how the MF5800dn series makes it easy to handle 2-sided documents:

- Press the “2-Sided” button to cycle through the options: 1 → 2-Sided, 2 → 2-Sided and 2 to 1-Sided

Environmentally Conscious
www.usa.canon.com/green

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Auto Duplex Print** – Save paper with automatic 2-sided printing and copying - print received faxes as 2-sided documents.

Why Choose the MF5850dn / MF5880dn

Over the HP LaserJet M2727	Over the Samsung SCX-5835FN
<ul style="list-style-type: none"> Improve productivity with copy and print speeds of up to 30 ppm / cpm. Save paper with All-Mode Duplex: printing, copying, scanning and faxing. Print received faxes on both sides of the paper. Potential savings on energy bills with 3W Energy Saver Mode. 	<ul style="list-style-type: none"> Shorter wait time for the first print: less than 6 seconds first print time. Easily handle 2-sided documents with All-Mode Duplex: printing, copying, scanning and faxing. Print received faxes on both sides of the paper. Save office space with more compact footprint.

1 Network scanning is via Windows® OS only.
 2 The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.
 3 Based on ITU-T #1 Chart (standard mode).
 4 Supports Silex Print and Scan functions only. Compatible with Windows Vista, Windows Server 2003, Windows XP/2000/NT/Me/98/95 only. Wireless printing requires a working Ethernet network with wireless 802.11b/g capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.
 5 Server 2003, Server 2008 via network connection only.
 6 Based on 20 lb. paper.
