

Wireless¹ All-in-One Home Office Printer with Auto Document Feeder

The PIXMA MX340 Office All-in-One delivers high performance and versatility at a great value.

- Fully-Integrated 30-sheet auto document feeder (ADF) for rapid document copying, scanning, and faxing.
- Super G3 high speed fax with 20 coded speed dials storing up to 50 incoming pages.²
- Various security features including password protected PDF's.
- Easy-WebPrint EX lets your customers clip, arrange and print web page contents.³

Rapidly Copy, Scan and Fax documents

Increase productivity by easily copying, scanning or faxing from the MX340's Fully-Integrated 30-sheet Auto Document Feeder (ADF). Print or scan without wires from any room in the home/office using built-in Wi-Fi.¹

Quickly Send and Receive Faxes

Rapidly fax documents using the MX340's SuperG3 fax, and conveniently fax the 20 most dialed numbers using programmable coded speed dials.²

Secure Important Documents

Create password protected PDF files using MP Navigator EX; which will restrict access to printing or editing. (Windows Only)³

Prevent fax number misdials with the Fax Number Re-entry feature.

Automatically Enhance Document Quality

Get the best quality document scans with Auto Document Fix. Automatically correct text characters with deep, sharp, and clear quality while pictures maintain their color tone and contrast.

Software That's Easy to Use³

Customers can collect, combine, and edit multiple web pages to neatly print content using **Easy-WebPrint EX**. Customers can "tap their way" to great looking, wireless photo prints from their iPhone or iPod Touch using **Easy-PhotoPrint for iPhone**.

- **Quick Start** – Customers can start up their printer in a matter of seconds and reduce energy consumption by keeping their printer off.

Sales Tip!

Suggest larger capacity ink cartridges to customers who print high a volume of documents. Recommend the ink/paper combo pack to customers who like to print photos.

**Paper Suggestion
Photo Paper Plus
Glossy II**

Yields a glossy finish and exceptionally rich colors, giving images the look & feel of a traditional photograph.

Why Choose the MX340

Over the HP Officejet 4500	Over the Lexmark X5650
<ul style="list-style-type: none"> Beautiful lab quality photos in approximately 43 seconds.⁶ Copies are faithful to the original in both detail and color with Dual Color Gamut (DCG) Processing Technology. Scan documents or photos in two easy steps with Auto Scan Mode.⁷ 	<ul style="list-style-type: none"> Easily copy or scan large objects without obstructing the control panel with the Fully-Integrated ADF. Customers can scan documents or photos directly to USB Flash Memory without a computer. Print or Scan without cables from anywhere in the home or office with built-in Wi-Fi.

Connectivity		
Fax: 50 Incoming Page Memory 20 Coded Speed Dials PictBridge, Bluetooth(optional) ⁵ Wi-Fi (IEEE802.11 b/g/n) ¹ , USB 2.0	Fax: 100 Incoming Page Memory 90 Coded Speed Dials N / A Ethernet, USB 2.0	Fax: N / A 99 Coded Speed Dials Memory Cards, PictBridge, USB Flash Memory USB 2.0

1 Wireless printing requires a working Ethernet network with wireless 802.11b/g capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients. For IEEE802.11n: Transmission rate will be limited to IEEE802.11g and will operate in the 2.4GHz frequency band.

2 The Public Switched Telephone Network currently supports fax modem speeds of 28.8Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines. Page count is based on ITU-T No. 1 chart or Canon FAX Standard Chart No. 1.

3 System requirements may vary by application. Easy-WebPrint EX: Compatible with Microsoft Internet Explorer 7 and Internet Explorer 8 (32 bit versions only) in Windows 7, Vista, or XP only, is not included on installation CD, and requires Internet connection during installation. Some drivers and applications may require download from www.usa.canon.com. See www.canontechsupport.com for updated compatibility.

4 Resolution may vary based on printer driver setting. Color ink droplets can be placed with a horizontal pitch of 1/4800 inch at minimum.

5 For PictBridge: Requires mobile phone or other device equipped with PictBridge technology and a USB cable. For Bluetooth: Requires mobile phone (or other device) equipped with Bluetooth technology v2.0 and optional Canon Bluetooth Unit BU30. Bluetooth operation depends on the device and software version used. Operating distance is approx. 10 meters but may vary due to obstacles, radio signals, locations where radio interference occurs, magnetic fields from microwave ovens, device sensitivity and/or antenna performance.

6 Print speed measured as soon as first page beings to feed into printer and will vary depending on system configuration. Output speed will vary depending upon a number of factors. See www.usa.canon.com/printspeed for additional details. Supported paper types for borderless printing are as follows: Photo Paper Pro II, Photo Paper Platinum, Photo Paper Plus Glossy II, Photo Paper Plus Semi-gloss, Photo Paper Glossy, and Matte Photo Paper.

7 Auto Scan Mode is only available when scanning at a computer using MP Navigator EX software and selecting the 1-click feature then "save to PC".

8 *ISO/IEC 24734, 24735 define the default print and copy speed measurement methods. Print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734, excluding time to print the first set. Copy speed is the average of FCOT, ISO/IEC 24735 Annex D. ADF copy speed is the average of ESAT in General Performance Test for the default simplex mode, ISO/IEC 24735, excluding time to copy the first set. See our www.canon.com/ipm for additional details.*
