<sup>1</sup> Prices are MSRP at time materials created and do not reflect any applicable rebates. Actual prices are determined by individual dealers and may vary. Prices subject to change at any time without notice.

<sup>2</sup> Print speed obtained using compatible Canon compact digital camera incorporating DiGiC II (other camera models may vary).

<sup>3</sup> See individual product specifications for memory card compatibility information. Bluetooth v.2.0 with optional Canon Bluetooth Unit BU-30. Bluetooth operation depends on the devices and software version used. Operating distance is approximately 10 meters but may vary due to obstacles, radio signals, locations where radio interference occurs, magnetic fields from microwave ovens, device sensitivity and/or antenna performance.

<sup>4</sup> System requirements vary by application. See individual product specifications for details.

<sup>5</sup> Some drivers and applications may require download from [www.usa.canon.com](http://www.usa.canon.com). See [www.canontechsupport.com](http://www.canontechsupport.com) for updated compatibility.
