The perfect pairing for productivity

The BlackBerry® QWERTY keyboard is iconic for a reason. With keys that are optimally shaped, angled, and placed, typing is second nature on the BlackBerry Bold 9930. But, it gets even better – everything that's made the BlackBerry Bold smartphone iconic is still there, but now, it has touch. The crisp, fluid touch screen lets you reach out and touch your information like never before: swiping, pinching and zooming with ease and accuracy.

Loaded with power and performance

The BlackBerry Bold 9930 smartphone is a high-performance engine built to get things done without compromise. So, it's only fitting that you've got the ultimate in Wi-Fi® technology, with a 1.2 GHz processor and 8GB of on-board memory. And, when the moment presents itself, you've got exceptional video recording capabilities at hand, so capture them on the fly, in all their glory, with brilliant HD detail.

The ultimate in style and substance

A sleek, high-end look that's loaded with the ultimate tools, the BlackBerry Bold 9930 is the thinnest BlackBerry® smartphone yet. Made of high-quality brushed stainless steel, with sculpted surfaces and refined touches, it's got the looks to match its power.

Harness the power

Swipe, zoom and scroll your way around apps and websites on the brilliant touch screen. With fast, fluid, Liquid Graphics™ technology, the BlackBerry 7 OS offers a smooth touch experience for everything you do.

Make instant connections

Chat, update your status, send attachments or your location – BlackBerry® Messenger lets you connect instantly with the people who matter most. Plus, you can create different groups tailored to the things and people you love. All with the legendary social connection you love on your BlackBerry smartphone.^{1,2}

Interact with the world around you

Layering information from your surroundings with information from the Internet gives you a new way to experience the world around you. Get the story on a landmark, read reviews on a restaurant you just passed or scan a crowd at a concert to see how far away your BBM™ contacts are, just by looking through the camera using augmented reality.^{1,2}

Make it yours

The BlackBerry Bold 9930 smartphone is fully equipped right out of the box. Add powerful apps and tailored accessories to get even more from it. BlackBerry App World™ offers thousands of apps: games, social networking, online shopping, personal productivity and more. Then dress things up with BlackBerry Accessories like Bluetooth® headsets and stylish cases made just for your smartphone. And get a BlackBerry Bold 9930 that's truly your own.^{2,4}

 **BlackBerry Bold.**

1. Check with your service provider for roaming arrangements, service plans, and supported features and services. 2. Requires activation with appropriate data plan. Check with your service provider for availability, costs and restrictions. 3. The BlackBerry Bold 9930 smartphone accepts microSD cards up to 32GB in size; the amount of storage is determined by card capacity. microSD cards may be sold separately. 4. Use only those accessories approved by Research In Motion. Using any accessories not approved by Research In Motion for use with your BlackBerry smartphone may invalidate any approval or warranty applicable to your BlackBerry smartphone and may be dangerous. 5. Times vary by network. CDMA times are based on CDG 89 suburban specifications. Actual results may vary. Many factors affect battery life, including but not limited to: network, transmission environment, battery age, usage, location, software and feature configuration. 6. Digital zoom up to 4x is only supported for pictures and not video.
